

FOR IMMEDIATE RELEASE: December 3, 2009

Local Michigan Company adds Avaya Products and Solutions to its portfolio!

Grand Rapids, Michigan, December 3, 2009 – Voice Data Systems, LLC (VDS) is pleased to announce that it has become an Avaya Business Partner. As of December 3, 2009 VDS is bringing its commitment to excellence to the Avaya product line and services as an Avaya Business Partner. While our focus on Nortel has not changed, VDS is bringing the unmatched excellence in technology and services to Avaya solutions.

“We are thrilled to become an Avaya Business Partner! As we move forward, we will be able to continue the superior level of support and service that our customers have come to expect from VDS while delivering industry-leading solutions. It is exciting to be expanding our portfolio of products and services despite the economic challenges in the marketplace,” said James Kress, President of VDS.

“The demand for new technology including Unified Communications and the convergence of voice and data systems is greater than ever. VDS is proud to continue its investment in the expertise and knowledge needed to implement and support these complex solutions,” said Pete Rose, Chief Technology Officer for VDS.
